## TRAVELING TO TEXAS

This August, our team ventured to Arlington, TX, for the highly anticipated national convention. Not only did we soak up invaluable insights and network with industry leaders, but we also enjoyed being surrounded by our beloved colleagues from around the country!

## AQUARIUM ADVENTURE

Post-convention, we treated the team to a day at the Dallas Aquarium. It was a perfect way to unwind and bond, exploring the wonders of marine life together.

## CELEBRATING OUR OWN

A big shoutout to Mo, who not only celebrated her birthday this month but won Q3 Top Gun! Her enthusiasm and spirit are what make her a standout team member.
