

APRIL

2025 NEWSLETTER

SPRING INTO SUCCESS

April was a great month at Brown & Partners! We first got to celebrate one of our own with a sweet and memorable baby shower, bringing the team together for an afternoon of joy and well wishes. We also took a business trip to Charlotte, where we connected with other professionals and got in some hard work. To keep the energy high, we had a blast at a VR team night and a celebration at Top Golf after hitting a major team goal. And finally, we got to relax with a lake house trip in Rosman, North Carolina; we had fun by the water, played games inside, and enjoyed time off together. Here's to progress, people, and the power of celebrating success together!
