

# BROWN & PARTNERS 2026 NEWSLETTER

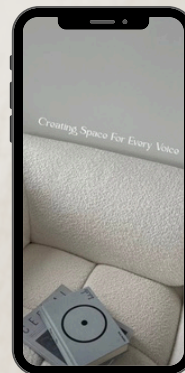

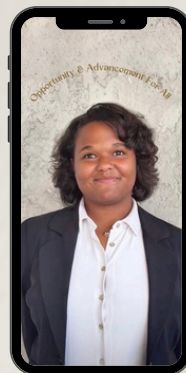

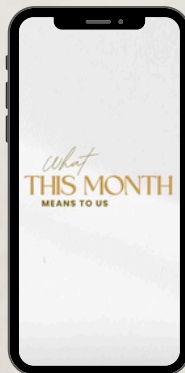

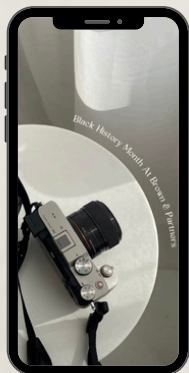

# FEBRUARY

At Brown and Partners, we took the time to recognize and reflect during Black History Month. We shared a series of reflection videos highlighting the voices and experiences of our team, featuring this month's top performers and celebrating the impact each of them continues to make. In addition to reflection and recognition, we spent time on the road on a business trip to Florida. We had the opportunity to connect with a client during a Greenville Swamp Rabbits hockey game. Together, these moments reflected a month centered on growth, connection, and appreciation.
