

BROWN & PARTNERS AUGUST NEWSLETTER

A LOOK BACK AT AUGUST

August was filled with new experiences, team adventures, and plenty of time spent together outside the office. From exploring New York City and enjoying a Broadway show to traveling to Atlanta for business and making time for the aquarium, it was a month full of connection, collaboration, and memorable moments.

AROUND THE OFFICE

From everyday office moments to team nights, August gave us plenty of opportunities to connect and enjoy time together. We're grateful for a team that knows how to work hard, have fun, and make the most of every experience.

NYC ADVENTURES

The team made the most of New York City with a visit to American Dream Mall and an exciting Broadway show. It was the perfect mix of exploring the city, enjoying some entertainment, and spending time together.

ATLANTA BUSINESS TRIP

Our Atlanta trip brought together business and team bonding, with productive time in the city followed by a visit to the Atlanta Aquarium. A great trip filled with work, learning, and a little fun along the way!
