SEPTEMBER

Monthly Momentum

Brown & Partners had plenty to celebrate this month. Our team made the most of the fall season with a trip to the Renaissance Festival and a spooky night at a haunted house. Both outings gave us a chance to have some fun and enjoy time together beyond the workday.

Moments like these are an important part of the culture we continue to build. Strong teams are built through shared experiences, and we look forward to making plenty more memories together. As we look ahead, we're excited to keep building on the momentum of the last nine years. With a strong team, new opportunities, and plenty more milestones to come, we're just getting started.

Our Anniversary

This month, Brown & Partners celebrated 9 years in business! Since 2017, the people who have brought their dedication and willingness to learn have shaped our journey. We're grateful for everything that has helped us reach this milestone, and we're excited to keep building on that foundation as we head into the next chapter.
